Mr. Kwang Wui Kim is a Senior Project Leader (PL) at Jipyong's ESG Center. Before joining Jipyong, he worked in ESG and sustainably consulting at various consulting firms, including accounting and law firms. Currently, he is a member of the ESG & Sustainability Strategy (ESS) Group at Jipyong's ESG Center, where he not only consults on ESG management diagnosis, strategy, disclosure, and communication, but also helps companies establish management systems for major non-financial risks such as human rights management, supply chain management, and compliance, and conducts various projects that provide solutions from the perspective of social impact and market competitiveness.

Education

2014 University of Minnesota Twin Cities (B.A. in Economics)
