Mr. Myung Chul Kim is a Senior Advisor in the Finance Group. Mr. Kim served at the Securities Supervisory Service and the Financial Supervisory Service for over 30 years and has extensive practical knowledge and expertise in supervision, examination and sanctions, unfair trade investigations of financial companies.

In addition to the general supervision and examination of securities companies, he has expertise in all matters related to the capital market, including licensing for asset management business, filings related to the initial public offering and private equity funds, securities registration statement of listed companies, management trust by real estate trust companies and completion guarantee. He also has extensive experience in stock price manipulation, use of non-public information, and unfair trade investigations.

Moreover, he had been in charge of consumer damage prevention, such as reviewing the terms and conditions of banking and e-finance transactions, and handling various complaints at bank branches.
