Mr. Jung Sik Park has dedicated approximately 30 years to public service as a prosecutor throughout various regional offices of the Prosecution Service. He is one of the prosecutors specializing in the cases requiring special investigations, who conducted and oversaw the investigation of special cases including financial, economic, and corruption cases.

Mr. Park has extensive experience and knowledge in industrial accidents, as he investigated the gas explosion incident at Daegu subway construction area during his service at the Daegu District Prosecutors Office and investigated a factory explosion and published an occupational safety investigation manual when he was the chief prosecutor of the Ulsan District Prosecutors' Office.

He was honored with the Minister's commendation award from the Minister of Justice and the order of service merit (yellow stripes) from the Korean government for his excellent public service.

Based on his comprehensive knowledge and experience in investigation practices that he acquired during his public service career, Mr. Park is now a Managing Director at JIPYONG, leading JIPYONG's Criminal Defense Group, Industrial Accidents & Safety Center, and Financial Crime Investigation Defense Center.
